

Law N. 13.165, dated July 05, 2001
(Bill no. 283/01, created by the Executive Power)

The law creates the Municipal Secretariat of International Relations – MSIR - and rules over other subjects.

MARTA SUPLICY, the Mayor of the Municipality of São Paulo, in the exercise of attributions granted her by the law, makes known that the City Council, in its session on 29th June 2001, decreed, and I pass the following law:

Article 1 – Declares that the Municipal Secretariat of International Relations - MSRI was created and its purpose is to coordinate agreements and international cooperation projects involving the city of São Paulo and placing it onto the international scenario by virtue of its economic, social and cultural dimension.

Article 2 – The Municipal Secretariat of International Relations’ main attributions are:

I - to assist the Mayor in international contacts with private or governmental entities.

II - to establish and maintain relations and partnerships with multilateral international organisms, sister cities of the Municipality of São Paulo, entities engaged in organization of cities, international non-governmental organizations, diplomatic representatives of Administrations, international representatives of workers and businessmen, international businesses whether they are or not established in this Municipality and other entities alike;

III – to provide technical support to the Direct and Indirect Administration organisms of São Paulo’s municipality in international contacts as well in developing and elaboration of covenants and international cooperation projects.

Article 3 - The Municipal Secretariat of International Relations is a part of the Secretary’s office and it is composed of two General Coordinators in charge of managing international projects and covenants, Technical Assistants and Administrative Assistants.

Article 4. This instrument creates, in the Professional staff of the Administration of the Municipality of São Paulo, the functions mentioned in the Attachment I, Table A – Commissioned Providing Functions, under different names, references to earnings and for or providing of this law; they are now part of Group 5 of law 11.511, dated April 19, 1994

Article. 5 – The function of Municipal Secretary of International Relations, maintaining the present reference and form of providing and that is part of the Decree n. 40.230, dated January 1st, 2001, will be denominated, from now on, Municipal Secretary and he will be transferred to the Municipal Secretariat of International Relations.

Article 6º -The Executive Power is hereby authorized, in order to face expenses originated from this law during the present mandate, as per article 42 of Federal Law no. 4320, dated March 17, 1964, to open additional special credits **up to the** sum of R\$ 472.000,00 (four hundred seventy-two thousand reais), creating the activity “Management of the Office of the Municipal Secretary of International Relations.”

§ 1º -**The decree that will open the additional credits mentioned in the ‘caput’ of this article will indicate, under the terms of article 43 of the Federal Law 4320, dated March 17, 1964, the funding available to meet expenses.**

§ 2º - During subsequent administrations, expenses for performing this will be met law by means of subsequent budget allocations, which, if necessary, will be supplemented.

Article 7 – This law will be effective as of the date of its publication, unless otherwise noted.
